Parent/Student Acknowledgements of
Code of Student Conduct 2015-16**

Student Name (*print*) _____ Grade _____
Teacher Name (*print*) _____ Date _____

This code has been drawn up to help your son/daughter gain the greatest possible benefit from his/her school experience. Parents/guardians have the responsibility for the actions of their children and should be involved in the education of their children. Students are responsible to be an active part of their school safety through involvement in the reporting of potential violent acts. All students will sign annually when they have been inserviced in the major areas of the Code of Student. The teacher or administrator will house the signature sheet.

Parent(s)/guardian(s) need to become involved in the education of their children and have the responsibility to provide the school with the current emergency contact person and/or telephone numbers. They also have the responsibility to notify the school of anything (such as medical information) that may affect their child's ability to learn, to attend school regularly, or to take part in school activities. Parents should take special notice of the Attendance section of this Booklet as well as the Suspension and Expulsion provisions, which are in accordance with School Board Policy.

The school system must have proof that every student and every parent/guardian has had a chance to review the Code of Student Conduct. Signed acknowledgement must be part of every student's record. Your signature means that you have received information about the Code of Conduct rules and have been made aware of how to electronically access the Code of Student Conduct @ www.mcpsweb.org (It does not mean that you agree or disagree with them.)

Parent(s)/guardian(s) should take special notice of the Zero Tolerance Policy, the Terms and Conditions for Use of Telecommunications and Networks, the Gun Free School Act of 1994, the Teacher's Authority to Remove Student from Class, and all Level IV violations and consequences, as well as receipt of the Notice of Privacy Practices contained in this Student Code of Conduct.

Failure to return this acknowledgement will not relieve a student or the Parent(s)/Guardian(s) from responsibility to know the contents of the Code of Student Conduct and will not excuse the student's non-compliance with the Code of Student Conduct. Contact your local Principal or the District Office Student Services Department if you have questions or concerns.
