To login to parent portal please go to www.mcpsweb.org
When the page loads scroll down slightly to Parent's Corner and click
on the Virtuoso Logo or use the following link: Virtuoso
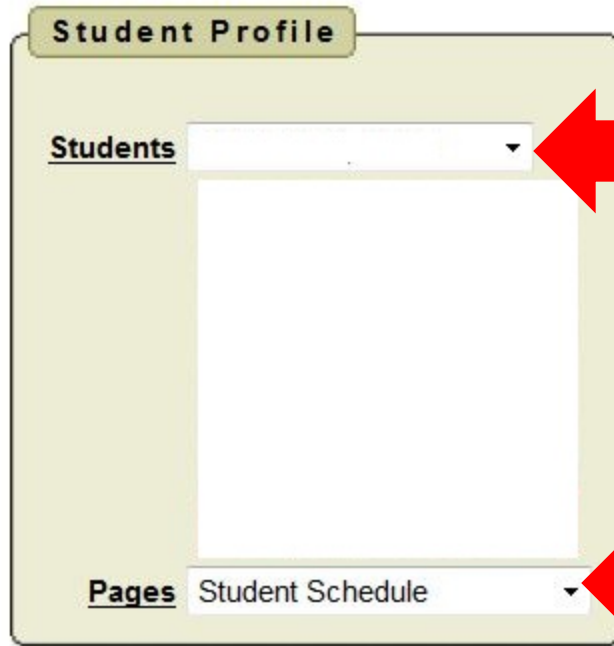

Message Center

	Start Date ▼	Notification Header	Notification	Acknowledge
📎	! 10/29/2013	Parent Portal Documentation	Please download and save the attached file for your records.	☐

The message center will contain documentation that will help you understand the many features available within parent portal. If you click on the paper clip, a PDF file will download. To remove the notification completely, click on the box next to the notification description and then click the Acknowledge icon. If you would like to keep the document available at all times, do not click on the check box next to the notification description.

Once the document is marked as Acknowledged you will no longer have access to the document through Virtuoso, however, the document is still available on the county website under Parent's Corner.

On the right side of your screen each page will display the Student Profile widget. The widget will allow you to switch from one child to another and switch between Grades, Daily Attendance, Class Attendance, Discipline, Schedule, Test and Grade book.

When clicking on the black arrow, any child that is tied to your portal account will display in a list. If you click on the student name the page will refresh with the selected student's information.

When you click on the black arrow by Pages, you will have the option to select from the following information:
1. Student Class Attendance
2. Student Daily Attendance
3. Student Discipline
4. Student Grade book
5. Student Grade
6. Student Schedule
7. Student Test

Student Calendar

When you first log into Virtuoso you will be brought to the Student Calendar page by default. The calendar is in a month view and allows you to
change the view to weekly, daily and a single day. The calendar will display the student's daily attendance for the day of the month as well as
any assignments that are due on a particular day. Once the assignment has been graded, it will display the grade the student received for that assignment.
